## **SPEAKER BIO**

---

**Bob Fabien Zinga**  
Award-winning Visionary Cybersecurity and Technology Risk Executive |  
Senior Information Warfare Officer, U.S. Navy Reserve

For over two decades, Bob has worked in complex environments at the intersection of people, processes, and technology. With an outstanding record of successfully establishing globally recognized technology risk management and cybersecurity programs, he has been setting the vision, driving the strategy and governance framework, establishing effective policies and standards, and managing the cybersecurity risk and compliance functions within Higher Education, State and Federal Governments, Defense Industrial Complex, High-Tech, and Consulting Industries.

Bob is recognized within the information security community for knowledge, vision, leadership, and the collaborative nature of effectively approaching a constantly evolving and complex area of information security and risk management. He demonstrates ability to establish positive internal and external C-level and boardroom relationships to effect significant change, drive a risk management strategy forward while enabling organization growth. Bob Fabien Zinga is also a Senior Information Warfare Officer in the U.S. Navy Reserve, among the top 2% of 400,000+ employees worldwide.
